

Adventsingen 2009

Every year the BYU German Department sponsors a German Christmas concert in the Provo Tabernacle—the Adventsingen. The Timpview AG Deutsch always has a choir that performs in the concert. This year the Adventsingen will be held on Sunday, December 6th at 7:30. We will be singing “O freudenreicher Tag.” Singing in the AG Deutsch Choir is a great way to learn a little more German, experience German culture, and celebrate the Christmas season. Here is the practice schedule for the Choir:
